Updated Alexander PTA is attached. We updated some areas to be more general (i.e. DHS Components) rather than just CBP. This PTA was originally submitted in August of 2018 and we just received these comments / questions back.

Please let us know if you have any questions.

We just had a call with (b)(6) at CBP/NTC regarding a request for information from the events in Sri Lanka and wanted to speak with you about this request. I understand that you currently don't have the "Rest of the World" data but we are inclined to do a data pull for (b)(6) but we don't have the bandwidth to do the analytics and thought we could pass this off to your group.

Can we set up a quick call to discuss? Obviously the request is somewhat time sensitive.

I will make myself available and work around your schedule.
