I'm sorry I had a number of commitments show up, now have a full schedule tomorrow and won't be able to meet.

Would Friday afternoon work? Maybe 1pm?

If a call works better, I would not be offended.

1.0 Background

As a component of DHS, US Customs and Border Protection (CBP) is responsible for protecting our Nation's borders in order to prevent terrorists and terrorist weapons from entering the United States, while facilitating the flow of legitimate trade and travel. CBP is also responsible for apprehending individuals attempting to enter the U.S. illegally; stemming the flow of drugs and other contraband; protecting our agricultural and economic interests from harmful pests and diseases; protecting American business from theft of their intellectual property; and regulating and facilitating international trade, collecting import duties, and enforcing U.S. trade laws.

There are over 350 million mobile devices in the United States in use today, and that number is growing exponentially as more people purchase mobile devices every day. Therefore it is not uncommon to encounter individuals involved with illicit activity taking advantage of mobile technology to further their criminal goals. Mobile devices, like cellphones, often have identifiers unique to a specific device. (b) (7)(E)
