**ORDER**

---

This matter is before the court on Plaintiffs-Appellants' *Consent Motion to Expedite Briefing Schedule and Oral Argument*, wherein they propose an expedited briefing schedule and request that the court set this matter for oral argument during the January term of court, and on the parties' *Joint Supplemental Response to October 17, 2023 Order* regarding their consent motion, wherein the parties indicate that they were unable to agree to a briefing schedule that would have both principal briefs on file by December 1, 2023, and they ask the court to reconsider the original briefing proposal, or

set the matter for argument at a special sitting in late January or February, and no later than the March term of court.

Upon consideration, the *Consent Motion to Expedite Briefing Schedule and Oral Argument* is granted in part, to the extent that the court adopts the following briefing schedule:

Appellants' Opening Brief:	November 9, 2023
Joint Appendix:	November 9, 2023
Appellees' Response Brief:	December 11, 2023
Appellants' Reply Brief:	December 29, 2023

The request to set this matter for oral argument during the January term of court remains under advisement. To maximize the possibility that this appeal can be set for argument during the January term of court, the parties are encouraged to file the principal briefs as quickly as possible and even earlier than the deadlines set forth above.
