(U) Outlook

(U//~~FOUO~~) [REDACTED]

b7E -4,5 per FBI

[REDACTED] The FBI, NCTC, and DHS remain concerned about the difficulty of detecting violent extremists, especially lone offenders, due to the individualized nature of radicalization to violence.^e

(U) Indicators

(U) Due to the highly personal nature of radicalization and mobilization to violence, it is difficult to assess specific indicators that are indicative of US-based violent extremists' intent to commit violence at home or abroad. Specific indicators of mobilization to violence can be found in the unclassified booklet, "Homegrown Violent Extremist Mobilization Indicators", which is available on NCTC's website (<https://go.usa.gov/xEKgd>). The FBI, NCTC, and DHS urge state and local authorities, as well as private sector security partners, to promptly report suspicious activities related to potential terrorism matters.

(U) Report Suspicious Activity

(U) To report suspicious activity, law enforcement, Fire-EMS, private security personnel, and emergency managers should follow established protocols; all other personnel should call 911 or contact local law enforcement. Suspicious activity reports (SARs) will be forwarded to the appropriate fusion center and FBI Joint Terrorism Task Force for further action. For more information on the Nationwide SAR Initiative, visit <http://nsi.ncirc.gov/resources.aspx>.
