Re: [REDACTED] 12/16/2019

b7E -1

The primary purpose of the meeting was to serve as a meet and greet event and to provide an opportunity for the ADL to learn about what the FBI is doing to address the threat posed by domestic violent extremists who engage in or are planning to engage in hate crime activity. It was also an opportunity for the FBI to learn about the ADL's efforts to work with law enforcement to address the threat and explore areas where we can work together to do so. To that end, DTHCFC A/UC [REDACTED] provided an overview of the purpose and mission of the DTHCFC, including an overview of [REDACTED]

Mr. Selim provided an overview of the ADL's mission and called upon Mr. Lieberman, Mr. Friedman, Ms. Banai, and Ms. Jarvis to discuss their roles in the organization and the different projects they are working on. Mr. Selim advised A/UC [REDACTED] that he had heard a lot about the new DTHCFC and that the FBI was further along than he anticipated in addressing the threat given how new the DTHCFC is. Mr. Selim advised he would be in touch with A/UC [REDACTED] and UC [REDACTED] to discuss how the field can work more closely with the ADL's regional offices and what can be done in coordination with the FBI Office of Partner Engagement (OPE) to form a working group at the national level similar to those formed by individual FBI Field Offices.

A/UC [REDACTED] and UC [REDACTED] advised the ADL representatives that we are grateful for their partnership and look forward to working with them in the future. The ADL provided several documents to A/UC [REDACTED]. Copies of all of the documents provided are attached.
