Subject: Permission to Share Lexicons with Fusion Centers
Attachments: Interim Guidance Memo Terms and Definitions Associated with Domestic Terrorism and DVE 032521.pdf; DHS DT HVE Lexicon (March 2015).pdf

Good Afternoon Dan-

Thanks for reaching out and for the discussion. As we travel to the fusion centers there's always a conversation pertaining to lexicons, and what is the guidance DHS utilizes for standardization of terms when producing intelligence products. Recently we have been getting requests to share the lexicon, but the interim guidance memo was generated within DHS I&A and CRCL will not disseminate unless we had specific permission from I&A (as we discussed). To be clear, we would only disseminate to fusion center leadership as we do our engagements or I&A could give permission to the IOs in the fusion centers to share. This would also assist fusion centers when producing intelligence products with the DHS seal on them. Any assistance or guidance you could provide would be great.

Again, thank you for the discussion. Have a great Memorial Day weekend.

Respectfully,
Mac
