

Learning Objective: EPO # 2-A	Slide # 23
Video/animation link? No	**"Space holder" slide?** No

TRNR Preparation Needed in Advance:

- Review the notes and possible Behavioral Indicators Table handout noted on slide 22 TRNR Background in conjunction with the content on this slide for the distinction between "predictive factors" and "behavioral indicators". Be prepared to address any questions.
- Review the handout for this slide and decide which teaching points would benefit from physical handouts. The goal is to provide a brief, general overview of the current HVE trends by summarizing the points in the following

TRNR Tips: N/A

Associated Handouts: DHS Handout Intel Product - (U//FOUO) "Overview of Recently Successful or Arrested HVEs Radicalization to Violence" (March 2017)

Header/Purpose: DIVIDER – Introduction to Threat Part 1 - Foreign Terrorist Organizations' Recruitment of US-based Individuals to Fight Overseas

PPT Slide – Notes Section

Text TRNR Animation Talking Points:

This is the discussion of the first of the 3 part threat we face as state, local, and tribal law enforcement.

We will be touching on the Foreign Fighter threat first.

- We previously saw data on the tiny number (less than handful) of foreign fighters returning to the US after time overseas.
- A more numerous threat in the US are those who are inspired by Foreign Terrorist Organizations (FTOs) that are attempting to recruit here in the US.
- Both are influenced by certain FTO messages

Q to group before moving to next slide – Can anyone offer a message or theme that FTOs use to recruit?

Additional Trainer Background

None
