UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MAINE

MATTHEW SMITH and AKILA RADHAKRISHNAN, *Plaintiffs*, v. DONALD J. TRUMP, in his official capacity as President of the United States, *et al.*, *Defendants*.	Civil Case No. 1:25 Civ. 158 (JAW)

JOINT STATUS REPORT AND MOTION FOR EXTENSION

On October 27, 2026, the parties notified the Court of their "agreement that this case turns on legal issues and that discovery is not necessary." ECF No. 53. That day, the Court ordered the parties "to submit by November 17, 2026, a joint proposed procedural order with deadlines for briefing those legal issues either through motions for judgment on a stipulated record or motions for summary judgment." *Id.*

In the interim, the parties have conferred in good faith to streamline these proceedings; among other things, the parties have discussed the development of a joint statement of material facts. The parties' conferrals have been productive, and the parties would benefit from additional time to determine whether they can reach a potential agreement on a joint statement of undisputed material facts and a proposed procedural order.

Accordingly, the parties request an extension of the deadline for submitting a joint proposed procedural order to December 4, 2026. The parties contemplate that the proposed procedural order will allow for separate statements if they are unable to reach agreement on a joint statement of undisputed material facts.

Dated: November 17, 2026

Respectfully submitted,

/s/Charles Hogle
