SUBJECT: Administrative Operational Compliance Review of Books Related to Gender and/or
Discriminatory Equity Ideology Topics

In light of the recent Executive Orders titled "Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government" and "Ending Radical Indoctrination in K-12 Schooling," DoDEA will conduct an operational compliance review to ensure alignment with the applicable Executive Orders. As part of this review, Information Center books potentially related to gender ideology or discriminatory equity ideology topics as defined in the Executive Orders will be relocated to the professional collection for evaluation. During this period, access will be limited to professional staff. Information Specialists are expected to implement this directive immediately.

Principals must ensure that Information Specialists are released from scheduled classes to complete this task during their duty day. If substitutes are required, please contact your regional Information Center Instructional Systems Specialist. Once identified, Information Specialists must submit the list of relocated books to Ms. Jude Scally, Headquarters Information Center Instructional Systems Specialist, and update the MARC records to reflect the revised call numbers.

We will provide further guidance upon receipt of official instructions. As a federal agency, we are committed to compliance with the Executive Orders and will ensure our policies and practices align accordingly.

For questions, Information Specialists may contact Jude Scally via email at jude.scally@dodea.edu.
