Attention Google Legal Investigations Support **REFERENCE NUMBER** DC05PR26DC0005;HSI-DC-2026-007280-001

To Google Legal Investigations Support:

I am relieved to receive your assurance that you have **NOT** disclosed my account information to the Department of Homeland Security. I ask that you not do so without a court order sanctioning the disclosure. I see that the records information that is the subject of the subpoena, is extremely broad and on that ground alone is defensible.

I am not someone with sufficient financial means to enable retaining a lawyer to submit a motion to quash. I am currently fundraising to see if I can gather sufficient resources to be able to do that. In the meantime I am requesting that you please provide me with advance notice prior to any imminent release by Google including any court order to that effect.

Please acknowledge receipt of this email.

Sincerely,

Your User
