Hi Charmane,

I hope you are well. I am reaching out to let you know that the Requestors for FOIA No. ACF 23-F-0128 (American Civil Liberties Union and the National Center for Youth Law) sent a new initial FOIA request by mail yesterday. The request is attached here for your convenience. It is nearly identical to our initial request here (FOIA No. ACF 23-F-0128), requesting records regarding reproductive health services for minors in Office of Refugee Resettlement custody.

The new initial request dated Feb. 10, 2025, requests records from Jan. 1, 2023, to the present, and we ask that the agency construe it as an ongoing FOIA request, so that any records that come within the possession of the agency prior to the final response should also be considered within the request's scope.

Thank you for your attention to this matter. Please let me know if you have any questions. We look forward to continuing to work with you.

Best,

Rachel
