To: Eminent Domain OGC  
Subject: 6040theplan

To whom this may concern:

I totally disagree with your eminent domain solution to the housing problem, and believe that you should take the time to examine the above referenced program that my husband created and has been working on it for the past 4 years. I really believe this is the solution to the problem.

If you have any questions I'll be happy to provide you with my husband's phone and e-mail address.

Sincerely,

Marilu Diaz
