b5 per DOJ/OIP

Attached are FBI's comments on the DOJ draft policy on CSS in "track changes." Apologize for the delay, but we needed some additional time to coordinate these internally within the FBI. [redacted]

Jim Baker and EAD Amy Hess have signed off on these edits, and we had our engineers also review for technical accuracy.

Please let me know if you have any questions, or if OLP desires a subsequent meeting to discuss.

Thanks.
