**RE: Edward Bryne Memorial Justice Assistance Grant Program
Law Enforcement Technology Grant
Grant Number: JAG 1-16-10**

Dear Mayor Romano:

The New Jersey Department of Law and Public Safety, Division of Criminal Justice is accepting applications for funding to seventeen eligible municipalities for law enforcement technology. Funding is being offered through the State of New Jersey's Edward Bryne Memorial Justice Assistance Grant Program.

The purpose of these grants is to provide agencies with the capability to utilize technology as a force multiplier to reduce crime. This capability will be realized by enabling agencies to acquire law enforcement technology and personnel necessary to support technology. Law Enforcement Technology (LET) grant funds are intended to provide additional resources that can advance coordinated implementation of technologies and regional information sharing among agencies. Your federal grant will be in the amount of \$250,000.00.

Your grant is scheduled to run for eighteen months, from June 1, 2011 through November 30, 2012. Approval for expenditures for the grant cannot be authorized until a fully executed subgrant award/contract is completed.

A Law Enforcement Technology Grant application package will be emailed to Chief Timothy Codispoti. Please ensure that all items on the enclosed checklist are completed prior to submitting your application. The completed application, including the required Resolution and grant certifications, should be submitted to the Program Development Section by May 23, 2011.

The Program Development Section is available to assist you in fiscal and programmatic preparation of this application. Please feel free to contact David Sabo, Jr. at (609) 777-2967 for any additional information you may need pertaining to this grant.

Very truly yours,

Heddy Levine-Sabol, Chief
Program Development Section

C:

Timothy Codispoti, Chief
Roxanne Tosto, Fiscal Officer
David Sabo, Jr., DCJ Program Analyst
Beth Griffis, DCJ Grants Tracking Clerk
Jean Petherbridge, DCJ Research & Evaluation
