Dear Mr. MacLeod:

You recently filed a Government Records Request form in my office seeking electronic copies of records relating to Automatic License Plate Recognition.

The police department personnel have advised me that they do possess records relating to your request, however, the systems were purchased utilizing three different grant projects and will require more time to assemble the records you request.

The police department personnel have assured me they will have records responsive to this request on or before August 28, 2012. Thank you in advance for your cooperation.

Sincerely,
Keith Petrosky
