ITEM JUSTIFICATION

Digital In-Car Video Cameras - The Department is currently attempting to outfit all patrol vehicles with digital in-car cameras for evidence and documenting purposes. Due to current budget restraints this will not be possible without Grant assistance.

Automatic License Plate Reader Camera – The requested camera is compatible with a newly acquired vehicle mounted license plate reader which is used to capture and compare images of license plates with stolen vehicle records, and those of wanted persons. The additional camera can be fixed mounted to monitor parking lots or other specific locations of law enforcement interest. Due to budget restraints the purchase of this item would not be possible without Grant Assistance.
