KNOW YOUR VOTING RIGHTS

★ FLORIDA ★

Election Day is Tuesday, November 6, 2012

You must register to vote by Tuesday, October 9, 2012

QUICK TIPS FOR VOTERS

- ★ Check your voter registration status and find your polling place by calling (866) 308-6739 or going to <http://election.dos.state.fl.us>.
- ★ Consider voting before Election Day by mail or during the Early Voting period – but note that early voting dates have changed. If you plan to vote at the polls, go early in the day to avoid the last-minute rush.
- ★ If you moved, update the address on your voter registration before Election Day. See the back of this card for new rules for voters who move.
- ★ Bring a photo ID with you to the polls (more info on the back of this card).
- ★ Signatures can change over time. If you think your signature has changed, it may be a good idea to update it with your county Supervisor of Elections.

EARLY VOTING DATES MAY HAVE CHANGED

- If you're registered, you can vote in person at special Early Voting sites before Election Day. Call your Supervisor of Elections to find an early voting site near you.
- For most Floridians, early voting will begin on Saturday, October 27 and end on Saturday, November 3, 2012. This means you will not be able to vote in person the Sunday before Election Day.
- If you live in Hillsborough, Collier, Monroe, Hendry, or Hardee counties, you may vote early. To check specific times and days call the Florida Voter Assistance Hotline at 866-308-6739 or check <http://election.dos.state.fl.us> for the most up-to-date information.

THERE ARE NEW RULES FOR VOTERS WHO MOVE

- If you moved since you last registered to vote, make sure you update the address on your voter registration. You can do this by mail, e-mail, fax or in person. In most counties you can also do this by phone or online.
- If you didn't update your address by Election Day but you moved within the same county, you can still vote a regular ballot – just go to the polling place for your new address. You will have to sign a form affirming your new address.
- If you didn't update your address by Election Day and you moved to a new county, go to the polling place for your new address – but you will have to vote by provisional ballot, not a regular ballot.

MAKE SURE YOU BRING A PHOTO ID TO THE POLLS

- If you vote at the polls, you must show a photo ID. Accepted forms of ID are: a Florida driver's license, a Florida ID card issued by the DMV, a U.S. passport, a debit or credit card (with your photo on it), a military or student ID, a retirement center ID, a neighborhood association ID, and a public assistance ID.
- If the ID you show doesn't have your signature, you'll have to show another ID with your signature on it (this ID does not have to include your photo) and sign your name.
