This Vigilant Video CarDetector Family Site License Agreement (the “Agreement”) is made and entered into as this \_\_\_\_\_ Day of \_\_\_\_\_, 2010 (the “Effective Date”) by and between **Vigilant Video Inc.**, a Delaware corporation, having its principal place of business at 2021 Las Positas Court Suite # 101, Livermore, CA 94551 (“Vigilant Video”) and \_\_\_\_\_, a law enforcement agency or other governmental agency, having its principal place of business at \_\_\_\_\_ (“Licensee”)

**WHEREAS**, Vigilant Video designs, develops and licenses advanced video analytics software technologies for the security and law enforcement markets;

**WHEREAS**, Licensee desires to license from Vigilant Video the Software Product(s) (as defined below) for itself and Affiliates (as defined below)

**THEREFORE**, Licensee and Vigilant hereby agree as follows:

### **Definitions:**

**“Affiliate(s)”** means any employee, contractor, or volunteer who is affiliated with Licensee or is authorized by Licensee or is controlled by or under control of Licensee and who may also utilize the Software Product(s) (as defined below). Final determination of affiliate approval is left to the sole discretion of Vigilant Video.

**“Software Product(s)”** means Vigilant Video’s Law Enforcement Family of Video Analytics software product(s) including Car Detector Mobile LPR Edition, Car Detector Fixed LPR Edition, Law Enforcement Archive & Retrieval Network (LEARN) Server, CamSmartz, LineUP and other software applications considered by Vigilant Video to be applicable for benefit of law enforcement agencies.

**“Site License”** means a non-exclusive, non-transferable, limited term license to install and operate Software Product(s) on to any applicable media without quantity limitation within the Licensee’s designated facility for a period of up to one (1) year.

**“Subscription”** means an annual renewal of the Site License held by any Licensee who is in compliance with the terms and conditions of this Agreement.

### **Site License Grant; Duplication and Distribution Rights:**

Subject to the terms and conditions of this Agreement, Vigilant Video grants Licensee a Site License. Except as expressly permitted by this Agreement, Licensee, any Affiliate or any third party acting on behalf of Licensee shall not copy, modify, distribute, loan, lease, resell, sublicense or otherwise transfer any right in the Software Product(s). Except as expressly permitted by this Agreement, no other rights are granted by implication, estoppels or otherwise.

# Vigilant Video

The Licensee is permitted to redistribute the Software Product(s) to Affiliate(s) acting on behalf of Licensee only for the duration of this Site License within the Licensee's designated agency.

Affiliate(s) are permitted to use Software Product(s) only for law enforcement or government- approved purposes. Use of Software Product(s) for any other purpose (e.g., private consultant services) is prohibited.

Affiliate(s) who discontinue their association with the Licensee do not have the right to continue using personal copies of the Software Products obtained under this Agreement, nor may such former Affiliate(s) obtain updates of the Software Product(s) from the Licensee. However, the Licensee is not under obligation to enforce such compliance by former Affiliate(s) beyond its implementation of restrictions set forth above regarding access to the Software Product(s) by Affiliate(s).

Licensee shall display a full copyright notice and any other notice of use on all copies of the Software Product(s) being redistributed to Affiliate(s). Licensee shall not eliminate, bypass, or in any way alter the copyright screen (also known as the "splash" screen) that may appear when Software Product(s) are first started on any computer. Any use or redistribution of Software Product(s) in a manner not explicitly stated in this Agreement, or not agreed to in writing by Vigilant Video is strictly prohibited.

## **Termination:**

This Agreement is effective as of the Effective Date until terminated. Licensee may terminate this Agreement at any time by notifying Vigilant Video of the termination in writing thirty (30) days prior to the termination and deleting all copies of the Software Product(s). If Licensee terminates its license prior to the end of the licensed year (it being anytime after the Effective Date but prior to the one (1) year anniversary of the Effective Date), Vigilant Video will not refund or prorate any license fees, nor will it reduce or waive any license fees still owed to Vigilant Video by Licensee. Upon termination of the Site License, Licensee shall immediately cease to any further use of Software Product(s) by itself or its Affiliate(s).

Vigilant Video has the right to terminate this Agreement if Licensee violates any material term or condition of this Agreement. Upon receipt of Vigilant Video's notice of termination, Licensee shall immediately discontinue all use of Software Product(s) and certify to Vigilant Video that it has returned or destroyed all copies of Software Product(s) in its possession or control. In addition, Licensee may be subject to legal action by Vigilant Video for material breach of this Agreement.

## **Warranty and Disclaimer:**

Vigilant Video warrants that Software Product(s) manufactured by Vigilant Video will be free from "significant" defects during Site License and/or Subscription period then in effect ("Warranty Period"). Significant defects are those which impede function of the main delivery modules of Software Product(s). This warranty does not include products not manufactured by Vigilant Video. Vigilant Video's obligation to repair or replace any defective Software Product(s) during the Warranty Period shall be Customer's exclusive remedy. Vigilant Video shall not be responsible for labor charges for removal or reinstallation of defective software, charges for transportation, handling and shipping or loss. Licensee and its Affiliates assume the entire risk as to the results and performance of the Software Product(s). Vigilant Video disclaims all warranties, expressed or implied, including but not limited to

implied warranties of merchantability and fitness for a particular purpose. In no event shall Vigilant Video be liable for any damages whatsoever arising out of the use of, or inability to use, the Software Product(s).

Under certain circumstances, it may be dangerous to operate a moving vehicle while attempting to operate a touch screen or laptop screen and any of their applications. It is agreed by the Licensee that Licensee's users are instructed to only utilize interface to the licensed software at what time it is safe to do so. Vigilant Video is not liable for any accident caused by a result of distraction using this touch screen while operating a moving vehicle.

## **Products and Services:**

Upon receipt of payment or purchase order of Site License, Vigilant Video will deliver or make available to the Licensee the Software Product(s). Updates, patches and bug fixes of the Software Product(s) will be made available to the Licensee at no additional charge, although charges may be assessed if the Software Product is requested to be delivered on physical media. Vigilant Video will make available throughout the active license period e-mail and fax support to an administrator and two support contacts designated by the Licensee, known as Licensee "Technical Support Agents." Under the Site License or Subscription agreement, Affiliates of the Licensee must channel all questions related to the Software Product(s) through the Technical Support Agent(s), the latter of which must make a good-faith effort to answer such questions before submitting a support ticket at [www.VigilantVideo.com](http://www.VigilantVideo.com) or sending an email to [support@VigilantVideo.com](mailto:support@VigilantVideo.com).

## **Contract Term and Structure:**

A fully executed Site License will entitle the Licensee to use of the Software Product(s) , valid for one (1) year, in which to set up and install the software product(s) on an unlimited number of media centers within the Licensee's agency. As the Licensee installs the units of the Software Product(s) and connects them with video cameras, the Licensee will be required to obtain a Camera License Key (CLK) for each installed camera. This is simply done by submitting a single sheet request form to Vigilant Video technical support. Within 5 business days, the Licensee Technical Support Agent will receive the requested CLK in a form set to expire on the same date of the Site License expiration. This agreement is automatically renewed upon receipt of Subscription payment, entitling the Licensee to a full replacement set of all previously issued CLK's set to expire one (1) year from the Subscription renewal date. This Agreement will terminate if 1) the Licensee indicates in writing its intent to discontinue its License or 2) Vigilant Video has not received payment for its Subscription fee by the Subscription Fee due date. In either event, Vigilant Video Inc. reserves the right to refrain from issuing replacement CLK's and to restrict access to services that are available to Licensees in good standing. The Software Product(s) will cease to function after the active global license key has expired.

## **Ownership of Software:**

The Software Product is copyrighted by Vigilant Video and remains the property of Vigilant Video. This license is not a sale of the original software or any copy. The Licensee owns the physical media on which the Software Product(s) is installed, but Vigilant Video retains title and ownership of Software Product(s) and all other materials included as part of the Software Product(s).

## Site License Fee:

Each Site License fee is based on the total number of sworn officers within the Licensee's and Affiliates' agency(s) at the time of execution of this Site License Agreement. The Site License allows for Licensee to install an unlimited number of licenses of the Software Product(s) as Licensee sees fit to put to use. A schedule of applicable Site License Fees is shown below:

| Law Enforcement Product Family – Site License Fee |        |                            |                  |
|---------------------------------------------------|--------|----------------------------|------------------|
|                                                   | TIER   | NUMBER OF SWORN OFFICERS   | SITE LICENSE FEE |
|                                                   | Tier 1 | 0 < Sworn Officers < 100   | \$4,500          |

|                                                   | Tier 3 | 251 < Sworn Officers < 500 | \$13,500         |
|                                                   | Jumbo  | 501 < Sworn Officers       | \$ 27,000        |

## Subscription Fee:

Each Site License has a Subscription fee due approximately thirty (30) days prior to the expiration of the Site License. The annual Subscription fee enables the Software Product(s) to remain operational for each successive 12 month period; entitles the Licensee to replacement CLK's; and ensures users have access to the latest software versions and associated equipment driver software to allow the Software Product(s) installations to remain current and enable the best possible performance. It is noted that an entity once licensed by the Site License agreement can only utilize active software licensing via the annual subscription license offering.

The Subscription fee is based on the number of Vigilant Video issued CLK's, and considered by Vigilant Video as being "in use" during the annual period by the entity in question. A schedule of annual Subscription Fees is shown below:

| Law Enforcement Product Family Annual Subscription Fee Schedule |        |                                                                                    |                                             |                                     |

thirty (30) days prior to the renewal date. All Fee(s) are exclusive of any sales, use, value-added or other federal, state or local taxes (excluding taxes based on Vigilant Video's net income) and Licensee agrees to pay any such tax.

## **Shared Private Data Networks:**

In geographic locations wherein Vigilant Video has implemented online LPR data repositories via Vigilant Video's affiliation with private entities utilizing LPR technologies, the site licensee may receive access to such data repositories to assist in the agency's efforts to locate targeted car plates within the archives. Access to shared private data networks is one benefit of the site license above and beyond the access to Vigilant Video Software Product(s).

## **Price Adjustment:**

Vigilant Video has the right to increase or decrease the annual Subscription fee from year to year. It is noted that in the case of an increase, such increase shall be less than 10% of the prior year's fees or shall be less than a percentage equal to the published rate of inflation in the United States, the not-to-exceed limit being whichever of these rate rise percentage limits is greater. If Vigilant Video intends to adjust the annual Subscription fee, it must give notice to the Licensee on or before the above stated invoice date pertaining to the upcoming annual Subscription renewal.

## **Credits:**

During the first year of a license or during subsequent year annual Subscriptions, Vigilant Video may, on its own discretion, adjust fees in consideration of credits which Licensee may have earned during participation in approved Vigilant Video marketing programs.

## **Initiating a Site License:**

IN NO EVENT WILL VIGILANT VIDEO'S LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT EXCEED THE FEES PAID BY LICENSEE TO VIGILANT VIDEO FOR THE SOFTWARE PRODUCT(S) LICENSED UNDER THIS AGREEMENT.
