Subject: RE: Public Records Request

Hello Ms. Carson,

I have attached the relevant City of Bend Police Department's policies as per your request. These policies are readily obtainable and do not require manual research time.

The City of Bend Police Department currently does not use automatic license plate readers (ALPR); therefore, policy and information regarding ALPR is not available.

Request number 3 (If your police department has obtained cell phone data from cell phone carriers in the past three years:) would require a significant amount of research and manual data gathering as noted in the cost estimate previously sent.

Please let us know if we can be of any further assistance.

Best regards,

Dear Ms. Christie,

Thank you for this update. Could you please break down your estimate by telling me the costs for letting us know whether or not BPD has the policies in the areas and for sending us copies of relevant policies from our request for information regarding BPD requests for cell phone records.

Thank you.

Subject: Public Records Request

Dear Ms. Carson, The Bend Police Department has received your records request. The Department estimates that it will take approximately 16 hours at \$48.07 per hour to complete the request (est. \$769.12) . Once the research is complete I will send you an invoice prior to providing the records. Please let me know if you would like us to proceed or modify your request.

Thank you.
