RE: Police Department Records Request

Dear Mr. Carson:

The City has reviewed your records request for Police Department Records regarding policies and Taser devices. I have spoken with Chief Allison regarding the availability of these items and will provide you with an estimated time frame below.

1. Current Policies and procedures describing Police Officers use of department equipment sold or manufactured under the Taser brand name. **This item will take 45 days to research.**
2. ALPR. Our department does not have this and cannot provide any records regarding it.
3. If your police department has obtained cell phone data from cell phone carriers in the past three years. **No information has been obtained from cell phone carriers, not available.**
4. All current policies and procedures describing police officers appropriate response to members of the public photographing or video recording officers while engaged in their official duties. **This item will take 45 days to research.**

The 45 days of research is because the Central Point Police Department is in the process of filling vacancies within the department. At this time we are unsure how in-depth the documents will be and cannot provide a cost estimate at this time. We will contact you with a cost before we copy them to make sure you are still interested.

Please feel free to email me at deanna.casey@centralpointoregon.gov or call 541-423-1026 if you have any questions. You are welcome to review these documents at city hall or online.

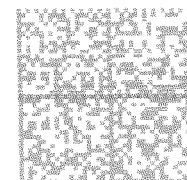

Sincerely,

Deanna Casey, MMC
