RE: Police Department Records Request

Dear Mr. Carson,

Attached is the current policy and procedure on Taser Guidelines. Our department does not use ALPR, and there is no current policy or procedure describing police officers' appropriate response to members of the public photographing or video recording officers while engaged in their official duties.

Please feel free to email me at bobbie.pomeroy@centralpointoregon.gov if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Bobbie Pomeroy".
