Dear Jann Carson:

RE: RECORDS REQUEST

With regard to your letter dated July 30, 2012, please find the following:

1. Our Taser policy is enclosed.
2. We have no ALPR, nor do we have a policy on the use of ALPRs.
3. We have no policy or procedures specific to the acquiring of cell phone data.

We have a lump-sum contract with another police agency for forensic analyses of cell phones, PDAs, computers, and so on but that contract is not further broken down.

In none of the past three years has a cell phone provider billed us for documents pursuant to a subpoena request.

4. We have no policy specifically governing officers' responses to being video recorded.

If I can be of further assistance, I am available to you.

Sincerely,

John Teague  
Chief of Police
