Dear Ms. Carson:

Your correspondence of July 30th and October 12th, 2012 to Chief Jay Waterbury, concerning Policies and Procedures related to the Police Department and their Technology, was referred to my office by the Chief. This referral is consistent with the process that our City follows in responding to these types of request for public information.

Concerning the information requested in item #2, the City's Police Department does not use the technology of automatic license plate readers ("ALPR"). Regarding the information requested in items #1, #3, and #4, we are still in the process of reviewing the City's records concerning this requested information. If we have any questions concerning these requests, I will contact you.
