Note:

The request from the ACLU requested all accounting documents that show the amount of funds used to acquire ALPR equipment and cell phone data whether by expenditure or receipt of operating funds, loans, grants, or gifts.

Since the city does not segregate the cost of ALPR equipment or cell phone data from other expenses, we conducted a search of accounts where these costs could have been recorded and identified those related to this request. Those costs are listed above by year for the last three years.
