Requested Item #3 b

Julie,

The PO is written and is 2011-967. I called the company and it was for a phone record check in late June related to the homicide investigation. I did not receive any email record and cannot ask Rhonda as she is on vacation.

Subject: VISA Statement

Good Afternoon,

Attached is a copy of your current VISA statement. I do not see PO's in Logos for the charges of \$4.99 from INT*Intelius. Please let me know when those have been entered and I will process the bill for payment.

Thank you!
