Subject: Records Request

I just wanted to touch base with you about a couple items from your records request. Firstly, we are not going to wave the fee involved with a records request. I do not believe the fee will be very much base on your request and wanting it delivered via email. I am thinking around \$8 or so. Once we have a figure, we will let you know because we require payment before we complete the request. Secondly, my agency does not use the ALPR system. We will not have any records on this. We do not have a data base on obtaining cell phone information from cellular carriers so we will not have any data for you on this.

I will be out of the office for the next two weeks. I am going to give this request to SSgt Don Messick to handle. If you have any questions from this email, please do not hesitate to call Don, 541-967-3950. You can also email him at dmessick@linnsheiff.org.
