Re: Public Records Request – Policies and Procedures Concerning Police and Technology

Ms. Carson;

I received your public records request on July 31, 2012 requesting information regarding the use of technology and the associated policies and procedures. The City of Wilsonville does not have any such requested records and is not the custodian of the requested records.

Please be advised the City of Wilsonville contracts its police services with the Clackamas County Sheriff's Department. All training and police procedures for using technology is solely within the Sheriff's Department jurisdiction, and your request should be made to Clackamas County.

Sincerely,

Sandra C. King, MMC
City Recorder
