Re: Public Records Request dated July 30, 2012

Dear Ms. Carson:

This letter will acknowledge the receipt of your public records request dated July 30, 2012, wherein you made a request for information from Lane County Sheriff Tom Turner. Lane County has now had an opportunity to review your request and provide a cost estimate for your request.

Request 1: Taser related information can be produced in an electronic format for \$35.00;

Request 2: ALPR. The Lane County Sheriff does not use ALPR, so there are no documents responsive to this request;

Request 3(a): Cell phone data. The Lane County Sheriff does not have a policy on when and how obtained.

3(b): will take additional time and expense to gather. Please let me know if you still want the County to generate an estimated cost; and

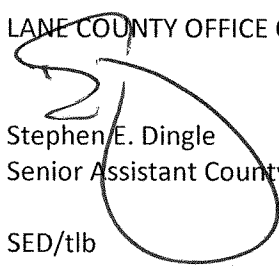

Request 4: Photography. The County has no policy on this issue.

As I am sure you have heard, Lane County is suffering from a severe financial crisis, which resulted in the loss of over 100 positions this last fiscal year. It will not be possible to grant you the waiver you have requested.

Please let me know how you would like to proceed. I look forward to your continued professional courtesies in this matter.

Very truly yours,

LANE COUNTY OFFICE OF LEGAL COUNSEL
