Re: Public Records Request

Dear Ms. Carson:

I am following up on your public records request. The Marion County Sheriff's Office has identified two policies and one accounts payable document that fall within your public records request. Policy 2140 (Search Warrants) and Policy 2230 (Collection, Preservation & Analysis of Digital Evidence – Computer Crimes) are enclosed herein. Please also find a print-out of an accounts payable spreadsheet covering the period from July 1, 2009 to October 31, 2012, for Accounts 529610-529690. Note: The phone numbers on this document have been blacked out because some of these criminal investigations could be on-going.

The Marion County Sheriff's Office may charge a reasonable fee pursuant to ORS 192.440(4)(a) in order to obtain reimbursement of its actual costs. Eleven pages were copied in responding to your request and 1.5 hours of staff time were spent retrieving records at the rate of \$40/hour. Copies are charged at \$.10 per page. As a result, the total amount due is: \$61.10. Please provide payment to the Sheriff's Office.

Please feel free to contact me if you have any questions.

Sincerely,

Jason Myers, Sheriff
