Associate Director Carson:

You will find enclosed our response to your public records request dated July 30th, 2012 with the follow up request of October 12th, 2012.

1. I have attached the "Taser" section of our Authorized Weapons and Their Use policy.
2. The Springfield Police Department does not utilize ALPR at this time.
3. A. The Springfield Police Department does not have a specific policy pertaining to Cell Phone data.
B. The request of all accounting documents showing the amount of funds used to acquire cell phone data is overly broad and outside of the resources we have. We do not have an automated way to see which cases involved Cell Phone data.
4. The Springfield Police Department does not have a specific policy pertaining to the public videotaping of officers in the performance of their official duties.

If you have further questions, please do not hesitate to call me at 541-725-3721.

Sincerely,
