Dear Jann Carson:

Below is a response to the public requests request received by Tigard Police Department:

1. All of our department's policies, to include the use of taser devices, can be found on the City of Tigard's website at http://www.tigard-or.gov/police/docs/policy_manual.pdf.
2. Our department does not own or use APLR.
3.
 - a. The link to our policies is included in the above response to question #1.
 - b. Our department has no documented acquisition of cell phone data from cell phone carriers in the past three years.
4. Our department does not have a specific policy pertaining to police officer's response to members of the public photographing or video recording officers while engaged in their official duties, but the link to all our department's policies is included in the above response to question #1.

Respectfully,
