MEMORANDUM

TO: Scott L. Bohn, Chief of Police

FROM: William Morris, Administrative Lieutenant

DATE: May 6, 2010

SUBJECT: Public Meeting on Edward Byrne Memorial Assistance Grant

I respectfully request the Edward Byrne Memorial Assistance Grant be placed on the Public Safety Committee agenda on May 11, 2010 for final approval by the Borough Council. The West Chester Police Department will be applying for a combined grant with the City of Coatesville. The Edward Byrne Memorial Assistance Grant requires an administrator be assigned to oversee the grant process. The West Chester Police Department has assumed responsibility to oversee the Edward Byrne Memorial Assistance Grant in the amount of \$38,168.00.00. The City of Coatesville will be receiving \$23,087.00 and the Borough of West Chester will be receiving \$15,081.00.

The West Chester Police Department will be using the Edward Byrne Memorial Assistance Grant towards an automated License Plate Recognition Program (ALPR). This program uses technology that will revolutionize our duties and responsibilities towards public safety and security. Over 50% of all crimes are related to a vehicle, and the ability to automate the process of identifying vehicles of interest has an immense value to our officers.

Therefore, I am requesting the Edward Byrne Memorial Assistance Grant funds be used towards the purchase of this system. The West Chester Police Department is also applying for additional funds to supplement the cost of this expenditure.

I will be available to discuss this request at your earliest convenience.

RE: Public Meeting on Edward Byrne Memorial Assistance Grant

The Edward Byrne Memorial Justice Assistance Grant requires the Borough of West Chester hold at least one public hearing on the Edward Memorial Justice Assistance Grant. The sole purpose of this hearing is to make the public aware of the program and our proposed spending plans. At the hearing, members of the public should be given an opportunity to provide written and or oral views regarding our proposed use of the funds.

On May 11, 2010, the Borough of West Chester Public Safety Committee authorized the Edward Byrne Memorial Justice Grant be accepted and approved by the West Chester Borough Council. On May 26, 2010, the West Chester Borough Council formally approved the Edward Byrne Memorial Assistance Grant in a public meeting/forum. There were no objections or correction requested during the public meeting. The public was provided an opportunity to review and respond to the West Chester Police Department proposals for the Edward Byrne Memorial Assistance Grant.

Respectfully Submitted,

Lt. William A. Morris

RE: Edward Byrne Memorial Assistance Grant: 2010-H5220-PA-DJ

Program Narrative:

On June 7, 2010 the Borough of West Chester and the City of Coatesville received information on a joint grant from the Bureau of Justice Assistance program. Upon receipt of the Grant information, the Borough of West Chester has agreed to be the Grant Administrators for the purpose of monitoring the Grant and disbursement of funds.

West Chester Borough/ West Chester Police Department:

The Borough of West Chester is proposing purchasing a License Recognition System to assist in traffic enforce. The purpose of this system will increase officer safety, be used for evidentiary purposes, and assist in preventing complaints of racial profiling. The system will be used in designated high crime areas to improve our citizen's quality of life complaints. The License Recognition System is an automated license recognition system that automatically reads and checks license plates.

City of Coatesville/ Coatesville Police Department:

The City intends on using the 2010 Byrnes Justice Assistance Grant Funding to purchase four (4) in car camera systems from Digital Ally. The (4) four digital alley in car cameras will be used in designated high crime areas to improve our citizen's quality of life complaints. The in-car cameras will increase officer safety and assist in preventing complaints of racial profiling. Vehicle pursuits are becoming major concerns in the areas of public safety. A form of documentation will improve the officer's ability to document the events.
