Dear Mr. Ward:

For your review, enclosed is the Oklahoma City Division's Community Outreach Program Semiannual Report for July 1, 2006 - December 31, 2006. As the Division's part-time Community Outreach Specialist/Coordinator, during the referenced reporting period, I assisted in the following Community Outreach Program activities: Minority Liaison Outreach; Adopt-A-School and Youth Programs. In addition, I provided program support to the recruiting program and Combined Federal Campaign.

Included in the semiannual report is statistical information required during inspection periods, along with budget information. For example, between July 1st and December 31st, the field office held, sponsored, and/or actively participated in numerous liaison/outreach activities. Additionally, our Alumni Foundation has been established.

Along with providing assistance and useful information to the communities we serve, our outreach efforts also resulted in significant program accomplishments. For instance, we have had contact with the Hispanic community.

Traditionally, the Community Outreach Program has been an established network of resources. [REDACTED]

[REDACTED] Moreover, Oklahoma City Division's Community Outreach Program supports the FBI's mission and investigative priorities.

If you have any questions or would like to discuss the information outlined in the report, please contact me at your earliest convenience.

Sincerely yours,

[REDACTED]

Community Outreach Coordinator
