Special Agent in Charge
Sacramento Field Division
Federal Bureau of Investigation
4500 Orange Grove Avenue
Sacramento, California 9584

Dear Keith:

Thank you for allowing me to take part in the inaugural FBI Citizen's Academy. I enjoyed every minute of it. The high level of professionalism in the Sacramento Field Division was evident throughout the program. All of the agents and staff in the Sacramento office, especially Karen Ernst, deserve great thanks for taking time out of their schedules and away from their families in order to give us all a better insight into the activities of the FBI.

As you well know, the shift in focus of the FBI since the terrorist attacks of September 11th, 2001 has been tremendous. However, it clearly seems that the agency as a whole and the individual agents have adapted and performed exceptionally well. To me, that is a testament to the highly qualified Special Agents that make up the FBI and the leadership that guides them.

As a small token of my appreciation for taking part in the Citizens Academy, enclosed you will find a \$25 donation to the Fallen Agents College Fund. Please try to keep the nail polish remover away from that check!

If I or anyone in Congressman Matsui's office can ever be of any assistance, please do not hesitate to contact me. Good luck in leading the Sacramento office, we are honored to have you serving the residents of California.

Sincerely,
