FOSTERING REGIONAL ECONOMIC PROSPERITY

April 6, 2004

Keith Slotter
Special Agent in Charge
FBI- Sacramento Field Office
4500 Orange Grove Avenue
Sacramento, CA 95841

Dear Keith,

I sincerely appreciate the opportunity to participate in the FBI-Sacramento Field Office's first Citizens Academy. The depth of knowledge I gained about the FBI compared to any other law enforcement agency has been unparalleled. I found the experience to be worthwhile and very valuable. I personally, commend your efforts to engage in a closer relationship with the Sacramento community and residents.

Very seldom are the goals for our government agencies clearly defined. The Citizens Academy not only explained the FBI's goals, but also went to great lengths to explain the other activities that are a part of your ongoing duties and priorities. I particularly enjoyed case studies that related to incidents I have seen or heard about in our region. To see these case studies through the eyes of the FBI, allows me to view current occurrences in my community differently.

Our local law enforcement is not very vocal about their activities with the FBI's Sacramento Field Office. I am impressed to hear about the collaborative efforts and the relationship building with my local law enforcement agencies. I would encourage you to keep up the good work.

Please extend my thanks and appreciate to [redacted] and the many other agents who committed the time and effort to make presentations to the Citizen's Academy. Their informative presentations have removed my misperceptions, and glamorized notions from the media and replaced them with accurate data and facts. I would encourage you to continue with future Citizens Academies, bringing together community and business leaders to participate in this very unique, exciting and rewarding program.

Should you ever require any assistance from the Metro Chamber or, of the larger business community, please do not hesitate to contact me, I would be happy to assist you with your needs. With much appreciate and gratitude, please accept this set of Sacramento note cards as a small token of my appreciation.
