Dear Keith,

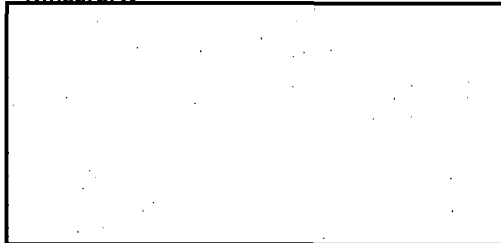

Just wanted to say thanks to you, [redacted] and the other agents in the Sacramento Field Office for allowing me the opportunity to attend your Citizens Academy. The time, effort and hard work that you all put into making this course a success was evident, and greatly appreciated by all of us in the class.

I am proud to have had the chance to meet you and the members of your staff, and to get an insight into the fine work that you and the FBI do for this nation. Attendance in this course should be mandatory for all high school and college students!

Please convey my best wishes and regards to all the folks in the Sacramento office, and my thanks for their service and dedication to duty. If there is anything that I can ever do to help out, please don't hesitate to let me know. I look forward to attending future events.

Sincerely,
