Dear Contributors,

On behalf of my fellow trustees, I wish to thank you and all those who contributed for your generous donation of \$2,125.00 to the FBIAA Memorial College Education Fund for the education of the children of deceased FBI Agents on behalf of the Sacramento Citizen's Academy classes.

Contributions such as yours provide the opportunity for children of deceased FBI Agents to fulfill their educational goals. Between the school years 1996-2002, \$1,250,000 in scholarships were awarded to 75 students. Prior to this, \$500,000 in interest free loans were distributed. For the 2002-2003 school year, 33 students were awarded a total of \$240,000 in scholarship funds and for the 2003-2004 school year 32 students have been award \$265,262 in scholarship funds.

It is a tremendous relief knowing we have friends like you to count on helping these children fulfill their educational goals.

Thank you for your dedication and support.
