Dear [Redacted]

I just wanted to take a moment to thank you for the tour of the Port which you and your staff provided to Phil Bodenhorn and me yesterday morning. It was very informative and I anticipate [Redacted] working closely together in the future concerning various security matters which may be of interest to you.

Thank you for taking the time to set up a tour of the facility by both water and land and for your exceptional hospitality during our time together. As I mentioned, I would enjoy having you return for our opening night of the FBI's second Citizen's Academy session during the last week of August to share your experiences with the incoming class. I look forward to seeing you then and wish you and your family a wonderful trip to France next month.

Sincerely,

Keith Slotter
