Dear Director Mueller,

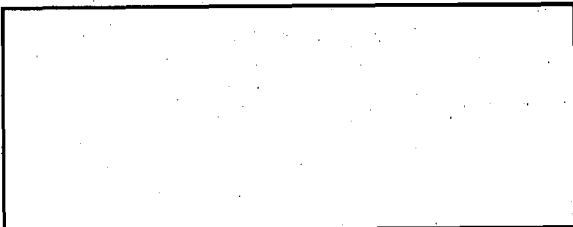

I would like to thank you, Special Agent in Charge Keith Slotter of the Sacramento Field Office, Special Agent [redacted] and the other Special Agents in Sacramento for affording me the opportunity to attend their recent Citizen's Academy, and for an interesting, informative and thoroughly enjoyable six week experience. The organization and scope of the course was perfect for a group such as ours, and the expertise and professionalism of the agents who did the presentations was both enlightening and inspiring.

As a retired Air Force Officer, I understand and greatly appreciate the dedication and sacrifices that those who serve our country make. The outstanding individuals who work in Sacramento are fine examples of why our nation is strong and great. I consider it a privilege and an honor to have had the chance to get to know them.

Again, my sincerest thanks to all for a memorable experience. I hope others will be able to attend this course, so they may gain insight into the valuable and vital service that you and the FBI perform for this country.

Sincerely,
