Hi [REDACTED]

It was our pleasure to provide the flag for the Sacramento FBI office.

I want to echo the sentiments of our class' spokespersons and tell you how much I enjoy b6 d
the Citizens' Academy. You and SAC Slotter provided all of us with such a valuable b7C
experience. I know that your jobs keep you at the office for many hours, and we
appreciate the extra time you were willing to take away from your families to make us
better acquainted of the role of the FBI in our community.

Thanks again for the experience and for all of the work you do for the Eastern District.
It was good to see you again and meet other members of the Sacramento FBI family. If you
need anything from us in the future, please let me know.

Best wishes,

Good morning [REDACTED]

I wanted to thank you for the American flag you presented to the office on behalf of
Senator Boxer's office. We certainly appreciate the honor of receiving a flag which has
flown over the Capitol.

I know we will be in touch, please call if you ever have any questions or concerns.
