Dear [redacted]

Thank you for your message. I am pleased to know that the Blue Diamond almonds will be enjoyed.

In turn, I again thank you and the FBI Sacramento organization for allowing me to attend the FBI Citizen's Academy. The overview presented of the FBI was complete, insightful and reassuring. The FBI is clearly at the center of the "good versus evil battle" ongoing in the world and in our community today.

We certainly will do whatever we can as good citizens, to give support to your good work in any way possible.

Thanks again.

Best regards,

Good morning [redacted]

I wanted to thank you for the almonds your company gave us last night, I have given them to the security guards who helped me so much during the Academy, and I know they appreciate the gesture.

I enjoyed meeting you and hope we can keep in touch.
