Dear SA [REDACTED]

As I mentioned on the phone, I am very excited to be included in the Citizens Academy Class of 2005. All dates have been placed on my calendar including the Saturday date of April 23, 2005 at the Firearms Training Facility in Stockton.

As also mentioned, I will attend all classes with the exception of April 6th as we have been advised our company is a finalist for the Workplace Excellence Award and the dinner event is that same evening. I had already committed to the staff and the human resource organization giving the event I would attend. If possible, I would very much like to read any material given that evening or attend a briefing session if you feel it appropriate.

[REDACTED] is class and appreciate the Federal
the communities you serve.
