We are all feeling the same way. What a beautiful experience to hold dear for the rest of our lives. My son is in the Air Force and through this training I believe I have a better understanding of his love for our country and his passion for protecting all of us. The FBI is no different. I am truly thankful we have individuals in the FBI such as Keith, all the agents we met and, of course, Karen who held it all together.

Look forward to seeing everyone again at the Alumni meetings.
