Dear [REDACTED]

I wanted to take this opportunity to thank you for attending last week's Citizens' Academy Alumni holiday get-together, and for the beautiful wine set you gave me and my colleagues as gifts. That was very thoughtful of you, and the gesture is much appreciated.

I was particularly gratified to see such a strong turnout of alumni the other night, despite the less-than-ideal weather. That says a great deal about the strength and cohesiveness of the Citizens' Academy alumni in this area, and my colleagues and I are very excited about the future of this program. As I outlined during the event, we are planning to create new opportunities for continuing education on matters related to the FBI, as well as for social interaction amongst the group.

Again, it was a pleasure to see you last week, and thank you for your continuing support of both the FBI and the Citizens' Academy. I'm looking forward to seeing you again soon.

Sincerely,
