Hello [REDACTED] and Drew,

As we approach the half-way point of the 6th FBI Citizens Academy of the Sacramento Division, I just thought I'd take a moment to compliment you and your team on the program. Everyone we've met at the FBI and guest agencies are high quality people, and presentations are very interesting and informative. Several of us in the class are quite impressed (and humbled) by the "top brass" that contribute to the Citizens Academy. [REDACTED] communications and desserts are especially noteworthy. We really appreciate all of your collective efforts.
