Special Agent in Charge Drew Parenti
Federal Bureau of Investigations

Dear Drew:

This letter is to express my gratitude for the invitation I received to participate for eight weeks on the Citizens Academy. I was very impressed with the professionalism of your entire team. I heard several times from your staff how pleased they were with you being the leader of the Office. You have indeed a very solid team of investigators. I don't have enough words to say thank you for so many nice times during this training. We will get together really soon to develop new ways on how to better serve our community by working together FBI and Univision.

Thank you so much for everything and I look forward to hear from you.
