Dear [redacted]

This letter is to express my gratitude for the invitation I received to participate for eight weeks on the Citizens Academy. It was very interesting to learn how your team works for the community. During the conferences I was very impressed with the presentations and the warmth of all your team.

I would also like to nominate [redacted] of Univision 19 and TeleFutura 64, for the spring session of the FBI training. In addition to running both stations, [redacted] is involved with many other community organizations.

He is a board member of the Ronald McDonald House Charities of Northern California and the Capital Unity Council. [redacted] also works with many community organizations like the three Hispanic Chambers of Commerce (Sacramento, Stockton and Modesto) and El Concilio.

I feel his position with the station and his community involvement would make him a perfect candidate for your program.

Thank you so much for everything and I look forward to hear from you.
