Association members and guests on a tour of Washington, D.C., to  
include tours of FBIHQ, the FBI Academy and sites of interest in  
the city. [signature]

Attached are the following items: the itinerary of the  
trip; the contract with the Fairmont Hotel; the itinerary for the  
tour of FBIHQ; the itinerary for the tour of the FBI Academy; a  
map of the District of Columbia; thank you messages received from  
alumni members; and information concerning the Tourmobile

**What to bring:**

**Cash** Please bring cash for meals, subway and taxis. It will take too long at restaurants to separate the check and pay by credit card. The approximate cost for some activities is listed.

**Valid ID** Please carry a valid ID at all times. For FBIHQ you will need two forms of ID. I suggest drivers license and your alumni badge issued while in the class since this has your name and photo. If you do not have that badge, a passport works.

**Clothing** It's still chilly on the east coast so pack accordingly. Check the forecast but it won't hurt to have an umbrella and jacket. Please wear **comfortable walking shoes** as we will be walking! I would suggest business casual for HQ and the Academy as shorts and jeans are not allowed. Khaki pants and polo shirts work! Ladies, please wear pants to the Academy, skirts are not recommended.

**DO NOT BRING** Weapons, pocket knives, lighters, fingernail files, pepper spray, etc., you know, the same items you can't bring on a plane!

**TRANSPORTATION:** It is cheaper to take a cab rather than the shuttle from Reagan National to the Fairmont. If you are arriving at Dulles Airport, you may want to take the shuttle. For all group activities we will be taking taxis, the Metro or walking.

## **STAGING AREA FOR GROUP ACTIVITIES:**

**The Fairmont Hotel**, 2401 M Street, Washington, DC 20037, telephone number (202) 429-2400, [www.fairmont.com/washington](http://www.fairmont.com/washington). Cancellations must be made within **72 hours of check-in for refund**. If you are not staying at the Fairmont, please let me know if you will meet us there on Thursday morning or at the Capitol. You must be at the Fairmont Friday morning to catch the shuttle bus to the FBI Academy.

#### RESERVATION PROCEDURE & RESERVATION DUE DATE

It is our understanding that your delegates are responsible for making their own individual reservations. Please have your delegates call our Reservations Department at 1-888-837-5623 or our Global Reservations Centre at 1-800-441-1414. We recommend that callers identify themselves as being with your group for ease of booking. You may also request internet access through a unique promotional code for your group. Please allow 7 days for confirmation of the promotional code. Regardless of how reservations are made, reservation requests must be made by February 20, 2007 in order to qualify for your group rate. Cancellation of individual reservations made up to 72 hours prior to arrival will be accepted, and the deposit refunded for those rooms for the full night's stay.

#### BILLING, MASTER ACCOUNT AND DEPOSIT ARRANGEMENTS

We understand that the attendees of your group will be responsible for all their own charges, that is room, tax, meals, and incidental charges. Individual guest accounts are payable at check out by cash or credit card.

#### INTEREST STATEMENT

Payment of any outstanding charges on the Master Account shall be made upon receipt of the statement. It is agreed that should payment not be made within 30 days of the date of the final statement, interest charges in the amount of the lower of 1.5% per Month, or the highest rate permitted by law, will be applied to your account. Interest charges are subject to change.

Should a credit card be used to settle the account, we will charge a 3% service fee if not settled within 14 days of the date of the final statement in addition to the interest charges as outlined above, if applicable.

#### CANCELLATION AND ATTRITION POLICY

The arrangements as outlined in this Agreement are to be protected on a definite basis upon receipt of this signed confirmation. In the event that Federal Bureau of Investigation cancels the entire program between the confirmation of this Contract your function dates, a lost revenue charge of \$2,090.00 will be billed to Federal Bureau of Investigation, which the parties intend as liquidated damages and not as a penalty.

#### Attrition

When you sign a Contract for a block of our rooms, your room nights are removed from our inventory and we consider the rooms sold. We agree to allow for a [20]% reduction in the anticipated room night revenue of \$16,720.00. At the conclusion of your meeting, we will subtract the rooms revenue derived from your meeting from the anticipated room night revenue less the allowable reduction set forth above. Any remaining amount will be posted as a charge to your Master Account.

SMOKING POLICY

The Hotel is a smoke free environment and smoking is prohibited throughout the Hotel in all event rooms, foyer and public space, Courtyard Garden and food and beverage outlets.

FORCE MAJEURE:

If the Contract becomes impossible to perform by either party due to acts of God, war, government regulations, disaster, strikes, civil disorder, curtailment of transportation facilities (which prohibit 25% or more of the meeting delegates from attending your conference), or other emergencies making it illegal or impossible to provide the facilities or to hold the meeting, this Contract may be terminated for any one or more of such reasons by written notice from one party to the other provided that the reason for said termination is in effect in Washington, DC or the immediate surrounding area and is in effect within 30 days prior to the arrival of the first members of the group.

In addition to the foregoing, should there be any acts of terrorism in North America within 30 days prior to the arrival of the first members of the group which affect transportation facilities and which prohibit 25% or more of your representatives from attending the Hotel, this Contract may be terminated by written notice from one party to the other.

INDEMNIFICATION

You shall indemnify and hold us our parent companies, subsidiaries, affiliates, officers, directors, employees, agents and representatives forever harmless from, and against, any and all personal injury, property damage, loss, liability or claim of liability, expenses, fines and penalties including reasonable legal fees caused by any wrongful or negligent act, error or omission by you, your guests, invitees, agents, delegates or representatives, except to the extent and percentage attributable to the hotel's negligence.

The amount of the insurance will be discussed when we receive the final deposit and the requirement for a certificate will be communicated at that time.

Hi again,

I know you are very busy but if you get a chance, would you be able to give me an idea of what the group will see on the tour? The SAC asked yesterday and wondered if we'd have time to go to ERF. I said I did not think so but said I'd check with you. [redacted]

Hi [redacted]

b6  
b7C

[redacted] and I really appreciate all the work you, Drew and the rest of your staff did to put together a great tour in DC. Visiting the FBI headquarters and the Academy was truly the highlight of our trip. We were so impressed with your choice of speakers, they were all great. Do you have a schedule sheet listing the names of the speakers including [redacted] that spoke at the academy on Friday? The list we received on Thursday at the headquarters was very helpful for remembering the speakers names. Our participation with the FBI works towards our hours required by the Sacramento Sheriffs Dept.

Have a great day....

Welcome Home, everybody!

I really enjoyed the trip, and look forward to seeing the photos. Maybe in the not too distant future we can all get together for a wrap PARTY and share. Very informal, you know...BYOB. In any case, it was great not only to see and do the things we did, but to spend more than a little time getting to know everyone. It will take the next gathering to the next level, for sure!

Good morning all!

Checked the weather on line last night and it looks like we will have nice weather this weekend, yeah!

Has to share my dream from last night...I was taking a group on a trip to Europe (maybe that will be out next outing, hal) and for some reason NO ONE made their flight and we paid for the hotel we did not use, more like a nightmare!! So, hopefully it's just a dream and everyone will have a safe flight and will be in the lobby Thursday a.m., bright eyed and bushy tailed!!

See you in D.C!!

[redacted] you really are too funny!! Thank you for your nice (and entertaining) email. Believe me when I tell you that [redacted] and I had every bit as much fun on this trip as the rest of the group. These are the types of events that help make our jobs meaningful - connecting with the people we serve in a very personal way and sharing a little bit of "our world." Thank you for being such a big part of this group and contributing your time, energy, great attitude and endless humor. It was terrific having you along. Looking forward to seeing you soon,

Welcome home message already .. for those of us who came back to Sacramento to work and get into our daily routine. There are others who are still in DC or New York enjoying themselves while we are slaving away in Sacramento to keep our economy going.

I echo the [redacted] who enjoyed themselves and had a fantastic trip. I had a great time and can hardly wait for the future meeting when we all get together and compare stories. And we all had different stories with different people.

b6 b7C

But as we let the smoke clear .. we all need to give a big hand of gratitude and appreciation to [redacted] and Drew for making this trip a reality. They pulled strings even when there were no strings. They watched over us like mother hens .. making sure we all had a good experience and that we were safe.

Just for the record .. On Thursday ... from Chinatown after the dinner at Tony Cheng's Mongolian Restaurant .. we all were going to take the cab back to the Fairmont. We all were tired from the day walking around FBI HQ and contending with all of those kids at the Spy Museum. However, a small valiant group lead by [redacted] decided to "go native" and take the Metro back [redacted] said she guess she could lead the crowd back by taking and transferring around till we hit "Foggy Bottom" or "Shady Butt" or something like that. Then we could walk about 8 blocks and be back at the Fairmont. All of this .. at 10 PM in the dark of night when the crazies were beginning to emerge.

[redacted] was suppose to ride back to the Fairmont with [redacted] in a nice warm cab. Instead he forgo this luxury and join with [redacted] "vampire killers" to insure their safety while they battled back to Fairmont. This bravery and concern for our safety did not go unnoticed especially by me .. I stuck close to him as our ragtag group ventured out into the night and braved the elements and dangers of DC ... why? [redacted] was the only one with a gun.

Eventually we made it back to the Fairmont ... but I for one recognized and appreciated what [redacted] our concerned and caring leader did that fearful night while [redacted] was prancing around, singing, talking and laughing ....unaware of the danger lurking in the dark. "This is just one small story in the Saga of the FBI Citizen's Academy Venture to DC.

b6 b7C

If you don't believe me .. ask the others in this traumatized group lead by [redacted] who survived that fateful night.

Thanks again to all who made this trip possible .. the Citizen' Academy's Committee and Drew & [redacted] We all appreciate and grateful to you for your efforts!!

b6 b7C

Waiting for other stories to emerge,

Welcome home and have a great week!

A BIG thank you to [redacted] Drew, and the Alumni board for organizing this trip! It was fantastic.

Please stay in touch.

All the best,

Welcome Home, everybody!

I really enjoyed the trip, and look forward to seeing the photos. Maybe in the not too distant future we can all get together for a wrap PARTY and share. Very informal, you know...BYOB. In any case, it was great not only to see and do the things we did, but to spend more than a little time getting to know everyone. It will take the next gathering to the next level, for sure!
