Dear Director Mueller:

My name is [REDACTED] and I am a proud graduate of the 2008 FBI Citizens' Academy here in Little Rock. I [REDACTED] and it was here that I first became acquainted with Bill Temple, the then Special Agent in Charge, who encouraged me to apply to the Academy. I am grateful he did. I enjoyed every minute of it and was able to meet many wonderful and dedicated people. I also thoroughly enjoyed the trip to Quantico and FBI Headquarters.

You were scheduled to meet with us that day in Washington but got called to the Hill. I was therefore glad and honored to meet you during your recent trip to Little Rock. I am very thankful for the wonderful job that you and all the others in the Bureau are doing. We are in very dangerous times for our nation and the world, and we the people need strong and Godly leadership. I am pleased to say that Tom Browne, the current Special Agent in Charge, is one of those leaders. He is doing a great job and has a good rapport with all of us in the Alumni Association. At the end of our graduation we were asked to write comments about our experience during the Academy. I am enclosing the comments I have sent to them.

Thanks again for the time you spent with us!

Sincerely,

[REDACTED]
