2009 Justice Assistance Grant (JAG)
2009-G9677-OH-DJ
DUNS 0044-78194

Abstract

The City of Dayton, Ohio is the applicant for this Justice Assistance Grant that will provide \$344,884 to six jurisdictions in Montgomery County, Ohio. There are four other cities and one county as sub-recipients. The title of this grant will be the 2009 JAG Local Montgomery County, Ohio. The goals of this combined project is to create or retain jobs, improve police and criminal justice services, and provide better service to citizens.

The strategies for creating or retaining jobs are simple. Jobs in technology and safety products will be created or maintained to provide the numerous equipment purchases that this grant application contains. The equipment that will be purchased through this grant will make police services and criminal justices services more effective and efficient. The applicant plans to provide reports that measure the gains in effectiveness and efficiency this equipment provides. This in turn will provide better and more cost effective services to citizens. All projects will begin in year one of grant. Most projects will be completed by year one. The following projects will be completed with the funding. The City of Dayton, Ohio will monitor the draw downs and expenditures through a separate trust fund for these dollars. Each sub recipient will be expected to do the same. All reports will be submitted by ten days after each quarter. The project's jurisdiction is noted at the beginning of the narrative.

Here is a list of deliverables from this application: consoles for a new dispatch center, criminal justice information system improvements, computer forensics investigation program, LED flashlights, tactical equipment, crime analysis program, and a rapid license plate reader.

2009 Justice Assistance Grant (JAG) Local Distribution

City of Dayton, Montgomery County, City of Kettering, City of Riverside, City of Trotwood, and City of Huber Heights – Ohio

Program Narrative

The City of Dayton, Montgomery County, City of Kettering, City of Riverside, City of Trotwood, and City of Huber Heights – Ohio were allotted a total of \$344,884 in Justice Assistance Grant Funding. The \$344,884 will be allocated across the jurisdictions in the following manner. The City of Dayton will receive \$257,670. Montgomery County will receive \$21,340. The City of Kettering will receive \$11,491. The City of Riverside will receive \$11,226. The City of Trotwood will receive 31,666. The City of Huber Heights will receive \$21,340. The City of Dayton will provide a cash match of 10% of the total grant allocation for their projects or \$38,321. The total allocated amount will be \$383,205.

The following projects will be completed with the funding. The City of Dayton, Ohio will monitor the draw downs and expenditures through a separate trust fund for these dollars. Each sub recipient will be expected to do the same. All reports will be submitted by ten days after each quarter. The project's jurisdiction is noted at the beginning of the narrative.

CITY OF DAYTON - \$295,991

1. New Dispatch Center - \$295,991 – **OUTCOME: More effective police work and technology jobs retained. PURCHASED: Year One – Year Four** - The City of Dayton has embarked on a project to provide a new dispatch center to its citizens. The dispatch center the City of Dayton currently operates is becoming outdated in equipment and structure. The goals of the new dispatch center are greater efficiencies through consolidation of services and locations.

We will utilize the \$295,991 to purchase new computer consoles for the dispatch center. These dispatch consoles are massive computers that tie radio information devices together to provide a seamless structure to dispatch emergency calls. No construction will be completed with this funding.

MONTGOMERY COUNTY - \$21,340

2. Criminal Justice Information System (CJIS) and JusticeWeb Improvements – \$21,340 – **OUTCOME: More efficient criminal justice systems and technology jobs retained. PURCHASED: Year One** - In July 2004, the Montgomery County Criminal Justice Council created a subcommittee charged with the development of an information system. This system would combine criminal justice information from the various courts located within Montgomery County, along with data from the county jail and the jail's mug shot system. The

purpose behind this effort was to obtain information that could be utilized to manage the jail population and at the same time provide law enforcement and the courts with pertinent information that would aid in the administration of justice. Special emphasis was placed on the identification of those individuals arrested, charged and convicted of domestic violence offenses. Montgomery County Commissioner Dan Foley, who was Clerk of Courts at the time, was appointed to chair the Criminal Justice Information System (JusticeWeb) Subcommittee. The \$21,340 will be utilized to purchase software to improve the Criminal Justice Information System and JusticeWeb System.

CITY OF KETTERING - \$11,491

3. Computer Forensics Investigation Program - \$8,710 – **OUTCOME: More effective police work and technology jobs retained. PURCHASED: Year One** - The Kettering Police Department will set aside \$8,710 of the grant for the improvement of technology for a computer forensics investigation program. Computer crimes throughout the country are occurring with much more frequency and severity. Due to advancing technology, the crimes continue to be much more sophisticated and difficult to investigate. This program is designed to upgrade the investigative capabilities of the Kettering Police Department by obtaining a Forensics Computer called "Forensics Tower II" as well as the associated software which would greatly enhance our service to the public. Currently, the Kettering Police Department employs a certified computer forensics detective. We are, however, unable to view potential evidentiary data on computers since we do not have the proper equipment. This program would allow us to do so and would further expand our computer forensics capabilities well into the future. \$8,710 of the grant would be appropriated for this initiative.
4. LED Flashlight Program - \$2,781 - **OUTCOME: More effective police work and safety. PURCHASED: Year One** - The purpose of the LED Flashlight Upgrade Program would be to enhance officer safety and service to our citizen by providing a more efficient and effective handheld lighting system. The current lighting system for officers at the Kettering Police Department is the halogen Mag Light. These lights are becoming unreliable due to their age and use aging technology. Furthermore, these lights malfunction on a regular basis, and if bumped, will damage the light bulb creating officer safety issues in the field. The LED system would provide a Pelican 8060 LED light system for each cruiser. LED is the newest technology and is the most reliable. This system is a much more energy efficient light and more durable. These lights typically continue to work if bumped or even dropped. The light itself is also much brighter and is lighter in weight. This type of light also has a longer field life than conventional flashlights. \$2,781 of the grant would be appropriated for this initiative.

CITY OF RIVERSIDE - \$11,226

5. Tactical Response Equipment Program - \$11,226 – **OUTCOME: More effective police work and equipment jobs retained. PURCHASED: Year One** - The City of Riverside will receive \$11,226 in funding from the 2009 JAG Recovery Act. The following equipment will be purchased with the funds. Ten sets of Tactical equipment. One set to be placed in each of the 10 Riverside Police Department marked patrol vehicles. The tactical equipment will consist of a Kevlar helmet and other items of safety equipment such as tactical lights, gloves, holsters. This equipment will be utilized during incidents involving active shooters or other critical incidents as deemed necessary. Due to a projected budget deficit of \$900,000, the city is once again unable to appropriate funds to acquire this necessary protective equipment and will be unable to do so for the foreseeable future. The cost to purchase the tactical equipment is \$11,226.

CITY OF TROTWOOD - \$31,666

6. Crime Analysis Program - \$14,516 - **OUTCOME: Efficient police services and retaining of technology jobs. IN PLACE: Year One** - Crime Analysis is important to the Trotwood Police Department in gathering and disseminating information to Neighborhood Watch Groups, the business community, the command staff, and to enhance its crime fighting efforts to reduce gun violence. Therefore, in order to provide enhanced analysis information the Department has to have upgraded computer technology to gather and disseminate relevant necessary statistics for the Department on a weekly basis. The Department will be able to monitor crime trends within the city and the information will be utilized to better deploy manpower to crime hotspots. In order to meet this need, the Department must upgrade its computers. The cost of doing this upgrade will be \$14, 516.00.
7. Rapid Reader License Program - \$17,150 - **OUTCOME: Efficient police services and retaining of technology jobs. IN PLACE: Year One** - The City of Trotwood will utilize \$ 17,150.00 for its problem-oriented approach to policing called S.A.R.A. (Scanning, Analysis, Response, and Assessment). This philosophy is directed towards identifying potential areas of criminal activity. Therefore, to assist the Department in identifying criminal elements and quality of life issues, the Department will purchase a Rapid Reader License Program that will be utilized to capture valuable data related to license plates, such as warrants and amber alerts for missing children. This proposal will require \$17,150.00 to further support the Department's efforts to suppress crime and other quality of life issues.

CITY OF HUBER HEIGHTS - \$11,491

8. In Car Video System - \$11,491 - **OUTCOME: More efficient police work and technology jobs retained. PURCHASED: Year One** - The specific use for this

allotment will be to assist in the equipping of front line patrol cruisers with necessary equipment to include: in car video systems, traffic enforcement equipment, emergency lighting/sirens, and mobile computers. The Police Division is systematically upgrading or equipping the vehicles in increments to avoid the need for mass equipment replacement. This allotment will provide for additional upgrades and enhancement to equipping front line patrol vehicles.

Review Narrative

1. Governing Body Review. The grant application was communicated on June 8, 2009 to the Dayton City Commission.
2. Public Review. An opportunity was announced in the Dayton Daily News on June 12, 2009 for public review and comment.

MEMORANDUM OF UNDERSTANDING
FOR THE
2009 EDWARD BYRNE MEMORIAL JUSTICE ASSISTANCE GRANT PROGRAM
2009-G9677-OH-DJ

This Memorandum of Understanding ("MOU") is entered into this 5th day of June, 2009, between the City of Dayton, Ohio ("Dayton"), City of Trotwood, Ohio ("Trotwood"), City of Kettering, Ohio ("Kettering"), City of Riverside, Ohio ("Riverside"), City of Huber Heights, Ohio, ("Huber Heights") and the Board of County Commissioners of Montgomery County, Ohio ("Board").

WITNESSETH THAT:

WHEREAS, the U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance ("BJA") has streamlined justice funding and grant administration by establishing the Justice Assistant Grant ("JAG") Program; and

WHEREAS, the JAG Program blends the previous Byrne Formula and Local Law Enforcement Block Grant programs to provide agencies with flexibility to prioritize and place justice funds where they are needed most; and

WHEREAS, the terms of the JAG Program provide that jurisdictions certified as dispartes must submit a joint application for the aggregate of funds allocated to them and must submit a memorandum of understanding with the application stating which jurisdiction shall serve as the applicant and fiscal agent for the award of funds; and

WHEREAS, the Cities of Dayton, Trotwood, Kettering, Riverside, Huber Heights and the Board of County Commissioners of Montgomery County, Ohio have been certified by the Director of the BJA as disparate jurisdictions for purposes of the Fiscal Year 2009 Edward Byrne Memorial JAG Program; and

WHEREAS, the parties enter into this MOU for the purposes of obtaining the Edward Byrne Memorial JAG Program grant.

NOW, THEREFORE, the parties declare the following understandings regarding the submission and award of a Fiscal Year 2009 Edward Byrne Memorial JAG Program grant:

1. Dayton is designated as the lead jurisdiction for the Fiscal Year 2009 Edward Byrne Memorial JAG Program (hereinafter the "Grant"). In this capacity, Dayton shall serve as the applicant for the parties' joint request for funding under the Grant.
2. Trotwood, Kettering, Riverside, Huber Heights and the Board will provide all necessary information and documentation to Dayton in support of the request for funding under the Grant, which Dayton will include in the application for the Grant.
3. The grant awards are made in the first fiscal year of the appropriation and may be expended during the following three (3) years for a total of four (4) years. For Fiscal Year 2009, the

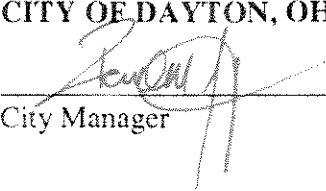

parties agree to seek a combined total of Three Hundred Forty-Four Thousand, Eight Hundred Eighty-Four Dollars (\$344,884) in Grant funds for the respective programs to be undertaken by the parties as identified in the "Program Narrative," a copy of which is attached hereto. Provided all parties are allocated and awarded Three Hundred Forty-Four Thousand, Eight Hundred Eighty-Four Dollars (\$344,884) in Grant funds, and consistent with the "Budget Narrative" included with the Grant Application, the Grant award shall be allocated between the parties as follows:

- (a) Dayton will receive Two Hundred Fifty-Seven Thousand, Six Hundred Seventy Dollars (\$257,670) of Grant funds and provide a cash match in the amount of Thirty-Eight Thousand, Three Hundred Twenty-One Dollars (\$38,321) for the total project costs;
 - (b) Trotwood will receive Thirty-One Thousand, Six Hundred Sixty-Six Dollars (\$31,666) of Grant funds;
 - (c) Kettering will receive Eleven Thousand, Four Hundred Ninety-One Dollars (\$11,491) of Grant funds;
 - (d) Riverside will receive Eleven Thousand, Two Hundred Twenty-Six Dollars (\$11,226) of Grant funds;
 - (e) Huber Heights will receive Eleven Thousand, Four Hundred Ninety-One Dollars (\$11,491) of Grant funds; and
 - (f) the Board will receive Twenty-One Thousand, Three Hundred Forty Dollars (\$21,340) of Grant funds.
4. It is further agreed that upon award of Grant funds, Dayton shall serve as the fiscal agent for the Grant. As may be necessary or required under the Grant, the parties will enter into a separate written document covering the allocations of the Grant funds in the manner provided herein and consistent with the Grant application.

[REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK.]
